	PAGE
Trap Mechanism in the Southern Kra Basin, Gulf of Thailand <i>Thakharw, A</i>	1-4
Controls on Reservoir Quality in a Depositional Framework of Formation 2, South Bongkot Area, North Malay Basin, Gulf of Thailand <i>Petchdong, S</i>	5-8
Facies Distribution and Stratigraphic Development on a Shale-Cored Ridge, Klias Peninsula, Malaysia <i>Tan Chun Hock</i>	9-11
Sedimentology, Depositional Environment, Stratigraphy and Reservoir Quality of the Redbeds in Laem Thai Ran Dok Mai, Chanthaburi, Thailand <i>Pham Thi Dieu Huyen</i>	12-14
The Relationship between Seismic Amplitude, Lithology and Hydrocarbons in Southern RIP Block, Gulf of Thailand <i>Sukitprapanon, P</i>	15-18
Identification of Shallow Pay Zones in the Tantawan area, Gulf of Thailand <i>Kawphoy, R</i>	19-21
Seismic Sequence Stratigraphy in a Pliocene to Recent Delta <i>Pham Thi Thuy Dung</i>	22-24
Facies Distribution and Stratigraphic Development in the PalaeoMahakam Delta, Indonesia <i>Nadia Binti Nirsal</i>	25-27
Diagenetic and Isotopic Evolution Recorded in Calcite Cements in a Large Indosinian Fault Zone in Permian Platform-interior Carbonates, North Central Thailand <i>Susanto, W</i>	28-32
Hydrocarbon Distribution in the North Jakrawan Field, Pattani Basin, Gulf of Thailand <i>Kantatong, K</i>	33-36
An Overpressure Investigation by Sonic Log and Seismic Data in Moragot Field, Gulf of Thailand <i>Amonpantang, P</i>	37-40

Building a Core-calibrated Wireline-based Permeability Prediction Model for Ubon Field, Thailand, with Model Testing in Uncored Well Sections and Validation by TST or DST <i>Chaiwan, P</i>	41-44
Depositional Environment of Sands Beneath the Mid-Miocene Unconformity in the Plamuk-L and Surat-C Field Areas, Gulf of Thailand, Using Cuttings Identification, Well Log and Seismic Interpretation <i>Suksirisamphan, P</i>	49-51
Paleo-depositional Environment Reconstruction of Oligocene, Early Miocene Intervals in Northeast Part of Malay Basin <i>Nguyen Tien Thinh</i>	52-54
Fracture Characterization in Contrasting Platform Carbonate Facies, Muak Lek and Chumphae Area, Central – Northeast Thailand <i>Utomo, R</i>	55-58
Structure Style and Palaeo-stress History of the Khao Thalai Area, Chanthaburi, Thailand <i>Nguyen Quang Tuan</i>	59-62
